Package Highlights

Darjeeling, the “Queen of the Hills”, is one of India’s most charming hill stations, known for its breathtaking view of Mt. Kanchenjunga, world-famous Darjeeling Tea, and the UNESCO-listed Toy Train. Alongside Darjeeling’s colonial charm, monasteries, tea gardens, and Mall Road, the nearby village Sittong has gained popularity for its scenic Orange Orchards. Nestled amidst the hills, Sittong’s orange gardens bloom in winter, painting the valley in shades of gold and offering travelers a unique countryside experience. A Darjeeling trip with Sittong is the perfect blend of nature, tea estates, cultural heritage, and rural beauty.
